

Project & Work Experience

Multimedia Designer & Editor

Dec 2024 - Present

College Board

Designed and animated motion translating complex concepts and flows into clear, structured visual systems with hierarchy and pacing. Built animation structures under tight timelines, ensuring consistency and expanding access to material for thousands of AP students worldwide.

Design Intern

Sep 2024 - Dec 2024

Skycar Creative

Created and refined B2B visual assets, styleframes, and pitch decks for clients including Adobe and Anthropic. Designed clear and structured interface visuals that communicate complex workflows, support product strategy, enhance client understanding across cross-functional teams.

2D Animator

Jun 2024

Amplified, Las Vegas Immersive Projection

Animated assets for large-scale projection installations, translating realistic cityscapes into dynamic sequences. Created scalable visual systems showcasing construction processes in real time, while collaborating with technical teams to meet project requirements.

Art Director & Motion Designer

Aug 2023 - Apr 2024

Stepping Through the Seasons, Short Film

Conceptualized and directed a 1-minute apparel campaign for a shoe brand, managing storyboarding, animatic, and final production, while ensuring cohesive branding and coordinating with advisors and composers throughout the process.

Integrated Marketing Specialist

Apr 2019 - May 2022

WebTVAsia

Designed video banners and promoted videos for social platforms, developing multi-channel campaigns that increased brand engagement and contributed to over 5,000,000 Facebook views through strategic implementation of visual graphics.
